8	Atrios reports a \$24M Series B backed by Acrew Capital and FirstMark and names consumer-brand customers including New York or Nowhere, Higher Dose, Cuts Clothing, Tushy, and Diaspora Spices.	Atrios company profile https://www.atrios.com/tastemaker/companies?company=258b615b-a355-4ce8-b54c-4254485ebb26	medium
9	Highbeam is a financial technology company, not a bank; banking services are provided by Thread Bank, Member FDIC.	Official disclosure https://www.highbeam.com/banking	high

ICP scoring guide

US-based consumer brands, primarily D2C and omnichannel, selling physical products, with at least \$1M in annual revenue and an ecommerce presence, seeking to streamline financial operations, gain real-time insights, and access flexible capital tailored to their business model.

HARD GATES
• U.S. company eligible for Highbeam banking • Minimum \$1M annual revenue • Sells a physical product • Has an ecommerce presence • Contact is Founder/CEO, Head of Finance, or COO

POSITIVE SIGNALS
• Annual revenue above \$5M • Experiencing rapid growth • Uses multiple financial tools (7-10) • Expresses frustration with traditional banks or current financial processes • Actively seeking working capital or lines of credit • Operates internationally or plans to • Values real-time data and financial forecasting • Mention of 'D2C' or 'omnichannel' in company description

DISQUALIFIERS
• Annual revenue below \$1M • Primarily a service-based business (no physical products) • No ecommerce presence • Company is not based in the U.S. • Satisfied with current banking and financial management solutions • No need for capital or advanced financial insights

Industries	Consumer Goods; Retail; eCommerce
Company types	Direct-to-Consumer (D2C) Brands; Omnichannel Retailers
Employee bands	11-50 employees; 51-200 employees; 201-500 employees
Revenue bands	\$1M - \$5M; \$5M - \$25M; \$25M - \$100M+
Annual spend	\$500K - \$2M; \$2M - \$10M; \$10M+
Geographies	United States
Business models	Direct-to-Consumer (D2C); eCommerce; Omnichannel Retail
Operating characteristics	Sells physical products; Has an established ecommerce presence; Experiences significant transaction volume; Manages complex cash flow; Requires working capital for inventory or marketing; Operates internationally (sending/receiving payments)
Risk factors	Cash flow volatility due to inventory cycles or ad spend; Reliance on traditional banks that don't understand their business model; Inefficient financial operations due to fragmented tools
Buying triggers	Experiencing rapid growth and needing better financial control; Frustration with slow or outdated traditional banking services; Seeking more flexible and accessible capital options; Desire to consolidate multiple financial tools into one platform; Need for real-time financial insights and forecasting capabilities; Expanding into international markets

BUYER MAP

Priority personas and segment tiers

Priority	Persona	Titles	Messaging angle
